Subject: RE: Greetings and request

Hi Dovid,

Disbursement information about USG public diplomacy grants is not public. However, regarding the public part of the program more generally, there will be a session for guests at the beginning of the seminar, which you will be welcome to attend. Closer to the date we will send out invitations to that portion of the seminar, so look forward to seeing you there!

I hope you enjoyed the gorgeous weekend,

Warm regards,
