

PANEVĖŽYS ANTI-SEMITES DON'T LET UP

Genadijus Kofmanas, chairman of the Panevėžys Jewish Community, found the Jewish Community signboard that hangs on the adult education building on Ramygala St., bashed with stones and covered in black paint, when he came to work on the morning of September 3, 2010.

G.Kofmanas said that this was the fourth attack on the city's Jewish Community signboard. Not once have the guilty been found: when it comes to vandals, the police have their own traditions.

Prior to the Second World

War this building housed a women's religious school. Today the board of the Jewish Community shelters here in two small rooms.
